

INSTRUCTIONS FOR PATTI WILDER MEET FILES

For those submitting entries on TM... use the file starting with "Meet Events Patti Wilder..." It is just events. You can use that file or create a meet file and "copy events" from the Meet Events file into it.

Once the entries are entered, send to Sue by attaching an Entries file in an email. File, Export, Entries...

For those submitting entries on MM... use the file starting with "Swmm3Bkup..." This file is just events. You can either use that file or do a "File, Save As" and create a new meet naming it something like "Entries for Team Name (put your team name)"

Once entries are entered, send to Sue by attaching an Entries file in an email. File, Export, Entries for Meet Manager Merge of Same Meet....
