Around the Art and Music in 30 Days 4Y - 9Y

If you have a pre or elementary schooler who wants to see the world, look no further. This is an adventure that cannot be missed and there is no doubt that you want to get your passports stamped at each and every location! Send your child to summer art camp, especially one that takes them 'out of the country' for the morning. Our little travelers will explore styles of art, music and history for all around the world. This summer we will be taking on different artistic adventures each week: riding the Orient Express, taking a Caribbean Cruise, an African Safari, Backpacking through Europe, a Tango in South America, and even a Pilgrimage to the Middle East! Visual arts will be in several different mediums and our Music will feature a whirlwind journey through sound, instruments, and musical expression, guided by the brains behind the Cobb Symphony Orchestra. We'll travel in groups of the same age with our faithful tour guides. Don't forget a snack. You're bound to get hungry on the way!

Heritage Days Camp 6Y - 9Y

Our hands-on approach in all of the Heritage Camps will make our programs unforgettable and exciting for children of all ages. Looking to the past is a way of appreciating and honoring our roots. All children learn best by doing and our campers will be engaged in many varied activities. The campers will explore nineteenth century know how, folk music, old fashioned toys and games, photography, country crafts of spinning, quilting and weaving, blacksmithing, cooking with no stove, and Native American crafts. The activities will give the campers a unique glimpse of the days when our ancestors were building a great land by hand. All camps are held on the grounds of the historic Mable House.
